DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The prior non-final office action mentioned page 221-223 of Solid Edge User's guide, but did not include said pages in the PTO form 892.

The prior action was mailed 5/21/04, and set a 3 month period for reply.

MPEP 710.06 states "The new period for reply must be at least 1 month and would run from the date the error is corrected."

Thus, a new period for reply is set, and is equal to 1 month.

An additional PTO form 892 is attached, which cites the pages that were not included in the prior PTO form 892.

The Examiner regrets any inconvenience caused by said omission.
